Council Meeting
June 24, 2003

Agenda Item: 9

FROM: B. A. Langley

RE: City Water Meters

This letter is my request to appear before the City Council on June 24, 2003 at 5 p.m. regarding the proposed requirement of city water meters being placed in the name of the property owner as opposed to the current requirement of the meter being in the name of the user of the water.

Sincerely,

B. A. Langley
